

Listening to **your** comments

Our claim procedure

Introduction

Senersun is committed to continuously improve the quality of our service. We want our customers to choose Senersun again and again because we consistently deliver the products and services we promise in every aspect of our business. We aim to always put our customers first and understand that little things matter most in delivering customer service excellence.

In spite of our efforts, we realize that from time to time, things do go wrong. If and when this happens, we will investigate matters fully and give customers an explanation for the failure, regardless of who was responsible.

Definition

We define a claim as any expression of dissatisfaction by a customer or a potential customer about the products and/or the services delivered by the company and its employees.

Every time you voice dissatisfaction about any aspect of our business, our staff will take your comments seriously. We believe we have a responsibility toward our customers to respond positively and pro-actively to their complaints and comments. We consider that customer feedback is critical in helping us deliver continuous improvement across our business.

Commitment

Our commitment: FREEE

Fair: We ensure that each claim is fully and duly investigated.

Respectful: We respect any customer's claim without distinction.

Easy: We make the claim process easy to find, to understand and to use

Efficient: We put all our efforts in investigating your claim with a defined frame.

Effective: We address your claim entirely and provide an effective answer.
